

2nd International Conference on Smart Education and E-Learning (SEEL-15)

17-19 June, 2015

Hilton Sorrento Palace Hotel
Sorrento, Italy

<http://seel-15.kesinternational.org/>

WELCOME

Following on from the First International Conference on Smart Technology-based Education and Training 2014 (STET-14), SEEL-15 is a major international forum for the presentation of innovative ideas, approaches, concepts, technologies, systems, findings and outcomes of research, design and development projects in the emerging areas of smart education and smart e-learning. SEEL-15 will provide an excellent opportunity for scholars, Ph.D. students, faculty, administrators, and practitioners to meet well-known experts from all over the world and to discuss various topics of research findings and outcomes, best practices and case studies, national and international partnerships and projects, advances in smart classroom and smart university, state-of-the-art applications of smart technology and smart systems in education and training.

MAIN TOPICS

SMART EDUCATION (SmE track):

Conceptual frameworks for smart education • Innovative smart teaching and learning technologies • Best practices and case studies on smart education • Smart pedagogy • Smart classroom • Smart curriculum and courseware design and development • Smart assessment and testing • Smart education analytics • Faculty development and instructor's skills for smart education • University smart systems for teaching, learning, research, management • Smart blended, distance, online and open education • Partnerships, national and international projects on smart education • Economics of smart education

SMART e-LEARNING (SmL track):

Smart Smart e-learning: concepts, strategies and approaches • Massive Open Online Courses (MOOC) • Small Personal Online Courses (SPOC) • Assessment and testing in smart e-learning • Serious games-based smart e-learning • Smart e-learning environments • Smart e-learning pedagogy • Smart e-learner modelling • Smart e-learning management, analytics, and quality assurance • Faculty development and instructor's skills for smart e-learning • Best practices and case studies on smart e-learning • Standards and policies in smart e-learning • Social, cultural, and ethical dimensions smart e-learning • Economics of smart e-learning

SMART TECHNOLOGY APPLICATIONS IN EDUCATION AND e-LEARNING (SmT track):

Smart technology-enhanced teaching and learning • Internet-of-Things (IoT) in smart learning environments • Smart phones and smart devices in education • Educational applications of smart technology and smart systems • Smart technology-based educational software and hardware systems • Mobility, security, access and control in smart learning environments • Smart gamification • Smart multimedia • Smart mobility

"FROM SMART EDUCATION TO SMART SOCIETY"

CONTINUUM (SmS track):

Smart school • Applications of smart toys in education • Smart management and administration • Smart campus • Smart university • Economics of smart universities • Smart office • Smart house • Smart company • Smart healthcare • Smart wealth • Smart city • Smart society

PROCEEDINGS, VENUE AND WORKSHOPS

CONFERENCE PROCEEDINGS by SPRINGER

The conference proceedings will be published by Springer as a book in a volume of the KES Smart Innovation Systems and Technologies series, submitted for indexing in Scopus and Thomson-Reuters (CPCI) and the Web of Science; for details, visit: <http://bit.ly/1vhOvGw>

CONFERENCE VENUE

The Hilton Sorrento Palace is a luxury five-star hotel which lies only 10 minutes walk from the historical centre of Sorrento. From the front is the enchanting Gulf of Naples dominated by Mount Vesuvius and from behind Punta Campanella. It may also be possible to catch a glimpse of the beautiful Isle of Capri.

WORKSHOPS AND INVITED SESSIONS

Researchers who would like to organise invited session(s) or workshop(s) on topics within the conference scope are invited to submit a brief proposal for consideration. Guidance notes for invited session chair are available on conference web site. If accepted, the invited session chair will be asked to provide the URL of the web site with the invited session's Call for Papers (CFP) and details. List of up-to-date accepted proposals is available on conference web site.

DEADLINES (regular conference papers)

- Submission of papers: **05 January 2015**
- Notification of acceptance: **16 February 2015**
- Final papers due: **02 March 2015**

DEADLINES (invited sessions and workshops)

- Invited session/workshop proposal due: **1 December 2014**
- Session/workshop submission deadlines: *(to be set by chair)*
- Session/workshop final papers due: **2 March 2015**

All presenting authors must register and pay the conference fees by 2 March 2015 for their papers to appear in the proceedings
(All deadlines and other details are provisional at the stage).

ORGANISATION and CONTACT INFORMATION

SEEL-15 General Chair:

Prof. Vladimir Uskov Ph.D., Bradley University, U.S.A.

SEEL-15 Executive Chair:

Prof. Robert J. Howlett, Bournemouth University, UK

SEEL-15 International Program Committee:

(see SEEL-2015 website)

Contact Information:

KES International

Email: contact@kesinternational.org
